We're the location to get for the referred publication. And now, your own time to get this guide since among the compromises has become ready. There was once, in the city of Baghdad, a man, [by name El Merouzi,] (30) who was a sharper and plagued (31) the folk with his knavish tricks, and he was renowned in all quarters [for roguery]. [He went out one day], carrying a load of sheep's dung, and took an oath that he would not return to his lodging till he had sold it at the price of raisins. Now there was in another city a second sharper, [by name Er Razi,] (32) one of its people, who [went out the same day], bearing a load of goat's dung, which he had sworn that he would not sell but at the price of dried figs..? ? ? ? ? Drink of the first-run wine, that shows as very flame it were, When from the pitcher 'tis outpoured, or ere the day appear..When the townsfolk saw this, they repented of that which they had done and the affair was grievous to them; so they sought pardon [of God] and said to her, ' By the virtue of Him whom thou servest, do thou seek pardon for us [of God!]' Quoth she, 'As for me, I may no longer abide with you and I am about to depart from you.' Then they humbled themselves in supplication to her and wept and said to her, 'We conjure thee, by the virtue of God the Most High, that thou take upon thyself the governance of the kingdom and of the subjects.' But she refused; whereupon they came up to her and wept and gave not over supplicating her, till she consented and abode in the kingship. Her first commandment was that they should bury the princess and build over her a dome (6) and she abode in that palace, worshipping God the Most High and ruling the people with justice, and God (extolled be His perfection and exalted be He!) vouchsafed her, by reason of the excellence of her piety and her patience and continence, the acceptance of her prayers, so that she sought not aught of Him to whom belong might and majesty, but He granted her prayer; and her report was noised abroad in all countries..? ? ? ? ? "My soul be thy ransom,"quoth I,"for thy grace! Indeed, to the oath that thou swor'st thou wast true."Then they drew up the contract of marriage and the merchant said, "I desire to go in to her this night." So they carried her to him

in procession that very night, and he prayed the prayer of eventide and entered the privy chamber prepared for him; but, when he lifted the veil from the face of the bride and looked, he saw a foul face and a blameworthy aspect; yea, he beheld somewhat the like whereof may God not show thee! loathly, dispensing from description, inasmuch as there were reckoned in her all legal defects. (259) So he repented, whenas repentance availed him not, and knew that the girl had cheated him. However, he lay with the bride, against his will, and abode that night sore troubled in mind, as he were in the prison of Ed Dilem. (260) Hardly had the day dawned when he arose from her and betaking himself to one of the baths, dozed there awhile, after which he made the ablution of defilement (261) and washed his clothes. Then he went out to the coffee-house and drank a cup of coffee; after which he returned to his shop and opening the door, sat down, with discomfiture and chagrin written on his face. a. Story of Tuhfet el Culoub and Haroun er Reshid dccccxlii. Indeed, thou'st told the tale of kings and men of might, iii. 87. As he and his father were thus engaged in talk, in came his mother and caught hold of him; and he said to her, "God on thee, let me go my gait and strive not to turn me from my purpose, for that needs must I go." "O my son," answered she, "if it must be so and there is no help for it, swear to me that them wilt not be absent from me more than a year." And he swore to her. Then he entered his father's treasuries and took therefrom what he would of jewels and jacinths and everything heavy of worth and light of carriage. Moreover, he bade his servant Aamir saddle him two horses and the like for himself, and whenas the night darkened behind him, (65) he rose from his couch and mounting his horse, set out for Baghdad, he and Aamir, whilst the latter knew not whither he intended. My flower a marvel on your heads doth show, Yet homeless (237) am I in your land, I trow. 98. Isaac of Mosul and the Merchant ccccvii. The folk witness bear of my worth and none can my virtues deny. So the girl's owner betook himself to the bazaar, where he found the youth seated at the upper end of the merchants' place of session, selling and buying and taking and giving, as he were the moon on the night of its full, and saluted him. The young man returned his salutation and he said to him, "O my lord, be not thou vexed at the girl's speech the other day, for her price shall be less than that [which thou badeest], to the intent that I may propitiate thy favour. If thou desire her for nought, I will send her to thee, or if thou wouldst have me abate thee of her price, I will well, for I desire nought but what shall content thee; for that thou art a stranger in our land and it behoveth us to entreat thee hospitably and have consideration for thee." "By Allah," answered the youth, "I will not take her from thee but at an advance on that which I bade thee for her aforetime; so wilt thou now sell her to me for seventeen hundred dinars?" And the other answered, "O my lord, I sell her to thee, may God bless thee in her." The Twenty-First Night of the Month. g. The King's Son and the Ogress dlxxxi. 132. Sindbad the Sailor and Sindbad the Porter dxxxvi. As the version of the sixth and seventh voyages of Sindbad the Sailor contained in (197) the Calcutta Edition (1814-18) of the first two hundred Nights and in the text of the Voyages published by M. Langles (Paris, 1814) differs very materially from that of the complete Calcutta (1839-42) Edition (198) (which is, in this case, practically identical with those of Boulac and Breslau), adopted by me as my standard text in the translation of "The Book of the Thousand Nights and One Night," the story of the seventh voyage in particular turning upon an altogether different set of incidents, related nearly as in the old version of M. Galland, I now give a translation of the text of the two voyages in question afforded by the Calcutta (1814-18) Edition, corrected and completed by collation with that of M. Langles, from which it differs only in being slightly less full. It will be observed that in this version of the story the name Sindbad is reserved for the Sailor, the porter being called Hindbad. When she had made an end of her verses, she considered her affair and said in herself, 'By Allah, all these things have betided by the ordinance of God the Most High and His providence and this was written and charactered upon the forehead.' Then she landed and fared on till she came to a spacious place, where she enquired of the folk and hired a house. Thither she straightway transported all that was in the ship of goods and sending for brokers, sold all that was with her. Then she took part of the price and fell to enquiring of the folk, so haply she might scent out tidings [of her lost husband]. Moreover, she addressed herself to lavishing alms and tending the sick, clothing the naked and pouring water upon the dry ground of the forlorn. On this wise she abode a whole year, and every little while she sold of her goods and gave alms to the sick and the needy; wherefore her report was bruited abroad in the city and the folk were lavish in her praise. She let him taste her honey and wine (183) before his death: This was his last of victual until the Judgment Day. When it was the eleventh day, the viziers betook them early in the morning to the king's gate and said to him, "O king, the folk are assembled from the king's gate to the gibbet, so they may see [the execution of] the king's commandment on the youth." So the king bade fetch the prisoner and they brought him; whereupon the viziers turned to him and said to him, "O vile of origin, doth any hope of life remain with thee and lookest thou still for deliverance after this day?" "O wicked viziers," answered he, "shall a man of understanding renounce hope in God the Most High? Indeed, howsoever a man be oppressed, there cometh to him deliverance from the midst of stress and life from the midst of death, [as is shown by the case of] the prisoner and how God delivered him." "What is his story?" asked the king; and the youth answered, saying, "O king, they tell that. 90. The Apples of Paradise dclxxvi. b. The Fakir and his Pot of Butter dcx. 6. Story of the Hunchback xxv. Persist not on my weakness with thy disdain nor be Treason and breach of love its troth to thee attributed; I clipped her in mine arms and straight grew drunken with the scent, iii. 125. Locust, The Hawk and the, ii. 50. (Quoth Abdallah ben Nan) So I became his boon-companion and entertained him by night [with stories and the like]; and this pleased him to the utmost and he took me into especial favour and bestowed on me dresses of honour and assigned me a separate lodging; brief, he was everywise bountiful to me and could not brook to be parted from me a single hour. So I abode with him a while of time and every night I caroused with him [and entertained him], till the most part of the night was past; and when drowsiness overcame him, he would rise [and betake himself] to his sleeping-place, saying to me, "Forsake not my service for that of another than I and hold not aloof from my presence." And I made answer with "Hearkening and obedience." Now that the clouds have broken their promise to our hope, We trust the Khalif's bounty will stand to us for rain. (65). My kinsmen and my friends for thee I did forsake And left them weeping tears that poured as 'twere a tide. When he heard this, he came up to me and looking in my face, cried out and said, 'By Allah, this is my brother, the son of my mother and father! Allah! Allah! Then he loosed me from my bonds and kissed my head, and behold it was my friend who used to borrow money of me. When I kissed his head, he kissed mine and said, 'O my brother, be not affrighted.' Then he called for my clothes [and money and restored to me all that had been taken from me] nor was aught missing to me. Moreover, he brought me a bowl full of [sherbet of] sugar, with lemons therein, and gave me to drink thereof; and the company came and seated me at a table. So I ate with them and he said to me, 'O my lord and my brother, now have bread and salt passed between us and thou hast discovered our secret and [become acquainted with] our case; but secrets [are safe] with the noble.' Quoth I, 'As I am a lawfully-begotten child, I will not name aught [of

this] neither denounce [you!'] And they assured themselves of me by an oath. Then they brought me out and I went my way, scarce crediting but that I was of the dead..Then she took leave of me and I of her, after I had strained her to my bosom and embraced her and we had kissed awhile. So she went away and I abode expecting the appointed day, till it came, when I arose and went forth, intending for the trysting-place; but a friend of mine met me by the way [and would have me go home with him. So I accompanied him to his house] and when I came up [into his sitting-chamber] he locked the door on me and went forth to fetch what we might eat and drink. He was absent till mid-day, then till the hour of afternoon-prayer, whereat I was sore disquieted. Then he was absent till sundown, and I was like to die of chagrin and impatience; [and indeed he returned not] and I passed my night on wake, nigh upon death, for that the door was locked on me, and my soul was like to depart my body on account of the tryst..When the king heard his viziers' words, he was exceeding wroth and bade bring the youth, and when he came in to the king, the viziers all cried out with one voice, saying, "O scant o' grace, thinkest thou to save thyself from slaughter by craft and guile, that thou beguilest the king with thy talk and hopest pardon for the like of this great crime which thou hast committed?" Then the king bade fetch the headsman, so he might smite off his head; whereupon each of the viziers fell a-saying, "I will slay him;" and they sprang upon him. Quote the youth, "O king, consider and ponder these men's eagerness. Is this of envy or no? They would fain make severance between thee and me, so there may fall to them what they shall plunder, as aforetime." And the king said to him, "Consider their testimony against thee." "O king," answered the young man, "how shall they testify of that which they saw not? This is but envy and rancour; and thou, if thou slay me, thou wilt regret me, and I fear lest there betide thee of repentance that which betided Ilan Shah, by reason of the malice of his viziers." "And what is his story?" asked Azadbekht. "O king," replied the youth, "Sherik ben Amrou, what device avails the hand of death to stay? i. 204..? ? ? ? ? By God, how pleasant was the night we passed, with him for third! Muslim and Jew and Nazarene, we sported till the day..When El Abbas heard these words from the damsel, his heart irked him for Mariyeh and her case was grievous to him; so he said to Shefikeh, "Canst thou avail to bring me in company with her, so haply I may discover her affair and allay that which aileth her?" "Yes," answered the damsel, "I can do that, and thine will be the bounty and the favour." So he arose and followed her, and she forewent him, till they came to the palace. Then she [opened and] locked behind them four-and-twenty doors and made them fast with bolts; and when he came to Mariyeh, he found her as she were the setting sun, cast down upon a rug of Taifi leather, (111) among cushions stuffed with ostrich down, and not a limb of her quivered. When her maid saw her in this plight, she offered to cry out; but El Abbas said to her, "Do it not, but have patience till we discover her affair; and if God the Most High have decreed the ending of her days, wait till thou have opened the doors to me and I have gone forth. Then do what seemeth good to thee."..When it was the tenth day, (now this day was called El Mihrijan (129) and it was the day of the coming in of the folk, gentle and simple, to the king, so they might give him joy and salute him and go forth), the counsel of the viziers fell of accord that they should speak with a company of the notables of the city [and urge them to demand of the king that he should presently put the youth to death]. So they said to them, "When ye go in to-day to the king and salute him, do ye say to him, 'O king, (to God be the praise!) thou art praiseworthy of policy and governance, just to all thy subjects; but this youth, to whom thou hast been bountiful, yet hath he reverted to his base origin and wrought this foul deed, what is thy purpose in his continuance [on life]? Indeed, thou hast prisoned him in thy house, and every day thou hearest his speech and thou knowest not what the folk say.'" And they answered with "Hearkening and obedience."..? ? ? ? ? Repression's draught, by cups, from the beloved's hand I've quaffed; with colocynt for wine she hath me plied..? ? ? ? ? Except I be appointed a day [to end my pain], I'll weep until mine eyelids with blood their tears ensue..As for Firouz, when he went forth from his house, he sought the letter, but found it not; so he returned home. Now his return fell in with the king's going forth and he found the latter's sandal in his house, whereat his wit was dazed and he knew that the king had not sent him away but for a purpose of his own. However, he held his peace and spoke not a word, but, taking the letter, went on his errand and accomplished it and returned to the king, who gave him a hundred dinars. So Firouz betook himself to the market and bought what beseemeth women of goodly gifts and returning to his wife, saluted her and gave her all that he had brought and said to her, "Arise [go] to thy father's house." "Wherefore?" asked she, and he said, "Verily, the king hath been bountiful to me and I would have thee show forth this, so thy father may rejoice in that which he seeth upon thee." "With all my heart," answered she and arising forthright, betook herself to the house of her father, who rejoiced in her coming and in that which he saw upon her; and she abode with him a month's space, and her husband made no mention of her..When Galen saw what appeared to him of the [mock] physician's incapacity, he turned to his disciples and pupils and bade them fetch the other, with all his gear and drugs. So they brought him into his presence on the speediest wise, and when Galen saw him before him, he said to him, 'Knowest thou me?' ' No,' answered the other, 'nor did I ever set eyes on thee before this day.' Quoth the sage, 'Dost thou know Galen?' And the weaver said, 'No.' Then said Galen, 'What prompted thee to that which thou dost?' So he related to him his story and gave him to know of the dowry and the obligation by which he was bound with regard to his wife, whereat Galen marvelled and certified himself of the matter of the dower..Then he sent for the viziers and said to them, 'O wicked viziers, ye thought that God was heedless of your deed, but your wickedness shall revert upon you. Know ye not that whoso diggeth a pit for his brother shall fall into it? Take from me the punishment of this world and to-morrow ye shall get the punishment of the world to come and requital from God.' Then he bade put them to death; so [the headsman] smote off their heads before the king, and he went in to his wife and acquainted her with that wherein he had transgressed against Abou Temam; whereupon she grieved for him with an exceeding grief and the king and the people of his household left not weeping and repenting all their lives. Moreover, they brought Abou Temam forth of the well and the king built him a dome (127) in his palace and buried him therein..? ? ? ? ? "How many a cup with bitterness o'erflowing have I quaffed! I make my moan of woes, whereat it boots not to repine."
