"You ought to have your proper name day, your feast and dancing, like any young 'un," the witch. The evil reputation magic had gained during the Dark Time, however, continued to cling to many of the practices of sorcerers and witches. Women's powers were particularly distrusted and maligned, the more so as they were conflated with the Old Powers..go tell him that, if you like!" And so on. Old Daisy went back to her kitchen and old Coney went. In the young dowser he recognized a power, untaught and inept, which he could use. He needed much more quicksilver than he had, therefore he needed a finder. Finding was a base skill. Gelluk had never practiced it, but he could see that the young fellow had the gift. He would do well to learn the boy's true name so that he could be sure of controlling him. He sighed at the

thought of the time he must waste teaching the boy what he was good for. And after that the ore must still be dug out of the earth and the metal refined. As always, Gelluk's mind leapt across obstacles and delays to the wonderful mysteries at the end of them..that lived long, long before Erreth-Akbe, before Morred, before there were people in Earthsea..slave takers carried off men, boys, young women. Little children and the old they slaughtered..Not long since, he had sent for Hound on some business, and when it was done the old man had said to him, "Did you ever hear of Roke Island?". "Of me?". "I told them," he said, "that if they went out Medra's Gate this day, they'd never go back through it into a House they knew. Some of them were for turning back, then. But the Windkey and the Chanter urged them on. They'll be along soon.". Gelluk was sure that without him Losen's rubbishy kingdom would soon collapse and some enemy mage..good house." After a while he thought, "I might keep some goats.". He was angry then, very angry, a hungry man whose food is snatched from his hand. He summoned the man Tern to reappear, but he did not know his true name and had no hold of heart or mind on him. The summons went unanswered..I stood there awhile, until I noticed, against the background of some further hallways --."Get the sail down," Medra said, peremptory. The master yawned and cursed and began to shout..shrugged arthritically into his heavy cloak, took up his staff, told the fire to go out, and left..pursuing the young man. The Doorkeeper waved his hand at it, and it avoided him. Irian swerved and..ground glimmered faintly before their feet..When Diamond put the lists of names to tunes he made up, he learned them much faster; but then the.."Maybe I came to destroy Roke..". Hemlock dismissed that with a flick of his hand. "I am talking of the True Art," he said. "Now I will be frank with you. I advise you to write your parents -- I shall write them too -- informing them of your decision to go to the School on Roke, if that is what you decide; or to the Great Port, if the Mage Restive will take you on, as I think he will, with my recommendation. But I advise against visiting home. The entanglement of family, friends, and so on is precisely what you need to be free of. Now, and henceforth..". After spending the next several days trying to recapture the missing word, he had set Silence to studying the Acastan Spells. Together they had finally worked it out, a long toil. "Like ploughing with a blind ox," Dulse said..Nothing happened as he said the words Ard had taught him, his old witch-teacher with her bitter mouth and her long, lean arms, the words spoken awry then, spoken truly now..Crow only sighed..Whether performed or read silently, all such poems and songs are consciously valued for their content, not for their literary qualities, which range from high to nil. Loose regular meter, alliteration, stylised phrasing, and structuring by repetition are the principal poetic devices. Content includes mythic, epic, and historical narrative, geographical descriptions, practical observations concerning nature, agriculture, sea lore, and crafts, cautionary tales and parables, philosophical, visionary, and spiritual poetry, and love songs. The deeds and lays are usually chanted, the ballads sung, often with a percussion accompaniment; professional chanters and singers may sing with the harp, the viol, drums, and other instruments. The songs generally have less narrative content, and many are valued and preserved mostly for the tune.. "How could he not want to?".
